REMARKS

RETURN TO CIA LIBRARY

25X1 The Brewitz (O 52/A 68) airfield was occupied by  
 25X1 thirty-two twin-engine aircraft, parked in four groups  
 25X1 of eight planes, each group opposite the other. [redacted]

25X1 There was no flying between 3 and 4 p.m., although the  
 25X1 weather was fair. Air force soldiers were quartered  
 25X1 in three wooden cantonment buildings in the woods on  
 25X1 the eastern edge of the field. From 15 to 20 motor  
 25X1 vehicles, including eight tank trucks, were parked  
 25X1 at the field. [redacted]

25X1 Flying personnel apparently were not quartered at  
 25X1 the field, since trucks [redacted] oc-  
 25X1 cupied by flying personnel, were seen frequently on  
 the highway to Cottbus (H 52/A 57).\*

25X1 \* [redacted] Comment: [redacted]  
 25X1 [redacted]  
 25X1 [redacted] the  
 unit was previously stationed in Cottbus. The trans-  
 fer of bomber units from Cottbus was confirmed by  
 other sources. One bomber regiment is assumed to be  
 stationed in Brewitz.
